Metropolis Official Communication

The World Association of Major Metropolises - Metropolis, its Presidency and the Secretariat condemn the horror and barbarism of the terrorist attack that struck the French civil society on the night of November 13th.

Metropolis would like to reinforce its wish of greater solidarity between cities and conveys its support to the Mayor of Paris, Anne Hidalgo, the Mayor of Saint Denis, Didier Paillard, and the the families of the victims in these difficult times for the city of Paris and the French state.
