7TH UCLG ASPAC CONGRESS

12 Sep. 2018

UCLG ASPAC Congress is a biennial event that brings together key development actors across Asian Pacific countries. As a region with stronger economic growth (Regional Economic Outlook: Asia Pacific, October 2017), Asia Pacific has become a region with rapid digital transformation.

The Congress will be hosted by the Surabaya City Government and jointly organized with United Cities and Local Government Asia Pacific (UCLG ASPAC). It is expected that the Congress will be an event for stakeholders to exchange ideas and experience and forge new partnerships to strengthen community-of-practice on local government attainment to global agendas such as SDGs and NUA particularly in Asia Pacific region.
