30 Years of Participatory Budgeting: more truth, more transparency, more participation

21 Aug. 2019

24 Aug. 2019

Documents:

In 2019, the Participatory Budget of Porto Alegre completes 30 years. This precursor tool of participatory democracy, recognized worldwide, promotes, among the various actions of its anniversary, the International Seminar - 30 Years of the "OP" (the participatory budget's acronym from its original name in Portuguese, *orçamento participativo*).

The themes that will be addressed in the seminar include sustainability, advances and challenges of participation, urban planning and resilience, SDGs, financing of participation, and digital participatory budgeting.
