Metropolitan Solutions is a single showcase that comprises international conferences, an exhibition area and a matchmaking platform. It's a powerful mix that enables decision makers from the public sector, industry, R&D and government to engage in quality dialogue on sustainable urban development. If smart, sustainable urban development is important to you, then it's definitely a show you are not going to want to miss! No other event can match it for its broad and interdisciplinary insights into current and emerging trends and technologies in innovative urban development. The exhibition is an integral part of the showcase – an absolute must for anyone wanting to learn about the latest technology solutions and services for tomorrow's cities. Metropolitan Solutions: your chance to find out what's happening around the world and be part of the discussion.
