Documents:

Golden Adobe, Tehrans global award for urban management, is a comprehensive, scientific, and non-profit initiative which concentrates on introducing and supporting the top international urban management projects as well as exchanging the experiences of the urban management.

This Award targeted promoting citizens' quality of life, expanding the international communication and interactions, improving the capabilities in the field of urban infrastructures and introducing and utilizing the experiences on implementation of top projects in the cities of our country and other cities of the world. It is expected that this event will lead to participation in major urban projects and effective exchange of information and know-how.

For further information about the Award and the submission process, please visit the official website
