

Chengdu International Industry Fair (CDIIF)

22 Apr. 2021

24 Apr. 2021

Chengdu International Industry Fair (CDIIF), jointly created by two influential international industrial fairs: Hanover Messe and China International Industry Fair (CIIF), will be held in Western China International Expo City. CDIIF will display Hanover Messe and Donghao Lansheng six mature sectors: Industrial Automation, Industrial Robotics, Metalworking and CNC Machine Tool, Information & Communication Technology, Energy-saving & Industrial Accessory, and Advanced Material Show, etc., perfectly presenting innovative products and technologies in the intelligent industrial chain. Meanwhile, Railway communication Exhibition show will be held to echo the upstream and downstream of the CDIIF. The exhibition area is expected to be 50,000 square meters.

The banner features a dark blue background with a large, stylized orange and yellow gear-like graphic on the left. On the right, there is a digital illustration of a modern city skyline with various skyscrapers and a bridge. Text and logos are arranged on the left side, while statistics are highlighted in blue rounded rectangles on the right.
