

the 13th Festival of Research and Innovation in Urban Management (Tehran Urban Forum -TUF)

11 Dec. 2021

14 Dec. 2021

Tehran Urban Research and Planning Center (TURPC), Tehran Municipality, in collaboration with AMF is preparing to conduct the 13th Festival of Research and Innovation in Urban Management (Tehran Urban Forum -TUF) during 11-14 December 2021 online.

This event with the aim of developing scientific discourse, exchanging ideas, sharing knowledge and transferring successful experiences in the field of urban management, will be focused on different dimensions of urban governance.

The event, which has been promoted from institutional and local level to national and international levels for more than a decade, has sought to provide a context for the scientific, academic and innovative community to think together to address urban challenges.

The Festival Goals:

- Identifying, exchanging and promoting scientific and experimental achievements in the field of urban management

tuf-eng_1.jpg136.52 KB

- Interacting with cities in Iran and the world, organizations and institutions and research centers with the aim of sharing knowledge and transferring urban experiences
- Networking and communicating with thinkers, elites, academic community with the aim of scientific synergy and the use of collective wisdom
- Strengthening the application of theoretical research, completing and operationalizing the components of the science and urban innovation chain
