World Forum of Cities and Territories of Peace

27 Jun. 2023
28 Jun. 2023

The World Forum on Cities and Territories of Peace (WFCPTP) is a multi-stakeholder multi-level platform that

highlights the importance of building coexistence and peace within cities and territories, together with efforts to identify the root causes of conflict and violence, in order to launch public policies, programs and citizen programs that contribute to building a peace culture.

The Forum is an opportunity to address the causes of the social pressures that lead to violence in the territories.
