P4G World Summit

29 Sep. 2023
01 Oct. 2023

P4G – Partnering for Green Growth and the Global Goals 2030 – is a global initiative that brings together business, government, and civil society organizations in innovative public-private partnerships.

Supporting innovative partnerships to become global models for sustainable solutions, P4G focuses on breakthrough solutions that help our partner countries meet their climate commitments under the Paris Agreement and their Sustainable Development Goals in five key areas: food and agriculture, water, energy,

cities, and circular economy.
