UCLG Annual Retreat 2023

20 Feb. 2023
24 Feb. 2023

Building Bridges: From vision to collective action

The UCLG Annual Retreat is a week-long gathering that provides an opportunity for the key notes of the organization and partners to define synergies and develop actions in line with the work plans set out by the governing bodies.

The Annual Retreat further offers participants an opportunity to boost the connections among the different parts of the UCLG ecosystem, including the involvement of political leaders and the technical staff, to come together as a Network and reflect on our priorities for the rest of the year.

This year, on February 24th, **Metropolis will celebrate a Board of Directors meeting** in the framework of the Retreat.
