Internationalisation for Local Authorities - in-person course

06 Nov. 2023
Date to be confirmed

Get the skills to take your city to the global stage

Metropolis's Internationalisation for local authorities training provides skills in international affairs which will be essential for local governments in future years.

- **Date of the course:** November 6th to 10th 2023 (TBC)
- **Place:** On-site in Barcelona

- **Duration:** 5 days
- **Course language:** English. No Interpretation provided

The course will be structured around experts lectures and knowledge exchange as well as technical visits. It will be open to profiles of people from different sectors such as:

- Officials from international relations departments of local governments
- Multi sectoral metropolitan public authorities
- Entities working with local governments
