## "City of Your Choice" Voting for the 6th Guangzhou Award

The 6th Guangzhou International Award for Urban Innovation aims to recognize innovation in improving

social, economic, and environmental sustainability in cities and regions and, in so doing, advance the prosperity and quality of life of their citizens. This year's award ceremony will take place during the 2023 Global Mayors' Forum from December 7th to 9th in the city of Guangzhou, China. But before the award ceremony, we invite you to cast your vote for the projects you believe are the most innovative!

The International Seminar on Learning from Urban Innovation will be held online from November 6th to 9th, during which representatives of the 15 shortlisted cities will present their initiatives and answer questions from the moderators and the audience. The seminar will be open to the public. Through initiative showcases and interactive sessions, participants can learn about the latest developments in international urban governance, and share lessons of local implementation of the SDGs and innovative practices of global cities.

### **International seminars by the short-listed cities**
