World Forum of Cities and Territories of Peace

02 May. 2025

03 May. 2025

[Learn more about the forum](#)

The World Forum on Cities and Territories of Peace is one of the two activities taking place as part of Montevideo, Destination of Peace—an event that will bring together training, exchange, and exhibition opportunities, as well as cultural and entertainment activities. Our city is once again hosting an event of this magnitude due to the global recognition and prestige it holds, as well as its more than 30 years of experience in international engagement.
