The 11th METROPOLIS World Congress in Hyderabad will host the Exhibition 'Art @ Telangana'

During the **11th Metropolis World Congress in Hyderabad**, there is a special series of exhibitions dedicated to the rich art, culture and people of the region. There would be glimpses of art and culture of Hyderabad, (Telangana region) in every aspect of the Metropolis World Congress but the **Exhibition 'Art @ Telangana'** would bring together the finest examples of Art from the region. This exhibition is specially curated for the 11th Metropolis World Congress. **Art @ Telangana - Soul for Urban Habitat**, would bring together inspirational and emerging artists from the region, where art has been part of daily life for centuries. The sculptures, paintings and abstracts are woven in an interesting mosaic of human life, which would be exhibited throughout the 11th Metropolis World Congress venue in Hyderabad, **HICC**.

We welcome you to the Art@Telanaga during October 2014!
