Final Workshop Innovations de stratégies de redynamisation par le Projet Urbain

01 Apr. 2019
03 Apr. 2019

Exchange of experiences on innovations of urban revitalization strategies between metropolises sharing the same territorial characteristics, governance and quality of life issues.

The analysis will be based on the forms and processes of for the city's transformation, by looking at concrete examples of major Urban Projects, through the analysis of 5 themes: The urban form, the urban design as a continuous process of thoughts and shaping of programs and urban spaces, the participation processes, the financing and regulation of the project, the governance and its influence on decision-making, the

formalization and the ownership.
