Sustainable Mobility training program

10 Nov. 2019
17 Nov. 2019

The objective of this training program is to provide an opportunity of sharing urban transportation model and significant reform processes such as reorganization of public bus services, introduction of exclusive median bus lanes, shift from private to quasi-public bus operation and implementation of an integrated transit-fare card (Korean T-money card) system.

The specific purposes of this course are:

- To provide an opportunity of sharing urban transportation & mobility related policy

- To ensure strong cooperative relations among participants' cities in the field of an urban transportation & mobility
