Smart City: Expo Puebla

02 Jul. 2019

04 Jul. 2019

Smart City Expo Latam Congress is the largest forum for reflection, inclusion and action in the face of urban challenges of Latin America. The Smart City Expo provides a platform for the development and transformation of cities. It will gather 260 speaker and experts and 60 conferences about sustainable urbanism will be discussed. This event presents the opportunity to debate about technological and economic growth, citizen empowerment, energy, environmental issues, security and resilience, mobility, urban planification and water.

Since its first edition in 2011, it has succeeded in becoming a referential global meeting point for governments, companies, social entrepreneurs and research centers in order to strengthen capacities, increase collaboration and share inspiration for supporting the improved development of our cities.
