Intersectionality in LGBTI policies - Final workshop

08 May. 2019

10 May. 2019

At the next and last meeting in Berlin, strategies for disseminating the guide at a global level will first be analysed, as well as a methodology for incorporating the guide into policies of the participating cities and metropolitan spaces.

In addition, there will be an encounter with experts in the field of intersectionality in order to focus future challenges related to the topic. In Berlin, participants will learn about LGBTI projects and initiatives related to issues such as old age, shelter, disability, emigration among others.

The event will be held in Spanish and German
