European Week of Regions and Cities

07 Oct. 2019
10 Oct. 2019

The European Week of Regions and Cities is an annual four-day event during which cities and regions showcase their capacity to create growth and jobs, implement European Union cohesion policy, and prove the importance of the local and regional level for good European governance. This year's edition shall feature a presentation of use, the Metropolis' urban sustainability exchange platform.
