Tehran Golden Adobe Award

02 Nov. 2019
02 Nov. 2019

Golden Adobe, Tehrans global award for urban management, is a comprehensive, scientific, and non-profit initiative which concentrates on introducing and supporting the top international urban management projects as well as exchanging the experiences of the urban management.

Tehran's global award for urban management will be handed to the best projects and practices in the cities, regions and local communities worldwide. Its objective is to recognize the importance of local government and urban management in promoting the socio-economic environments, sustainability of cities and regions, and improving the livability of the citizens.
