## INTERVENCIONES URBANAS, MOVILIDAD Y PEATONALIDAD

18 Nov. 2019  
18 Nov. 2019

Within the framework of the Smart City Expo, CIDEU will hold an activity on Monday 18 November from 16.30h to 19.00h. It will deal with the theme "Urban Interventions, Mobility and Pedestrianism" and will be aimed mainly at delegations from CIDEU member cities (non-exclusive).

### Objectives

Take a guided tour to get to know the urban interventions, mobility and the place where they will be carried out in Barcelona. The Innovation District (22@) will be visited together with experts indicating urban interventions, their objectives and results.

You will find more information about the activity by clicking [here](#) (in Spanish)
