XXIV Cumbre de Mercociudades

27 Nov. 2019
29 Nov. 2019

From the 27th to the 29th of November, the city of Asunción, Paraguay, will host the 24th Mercociudades Summit, whose main theme will be "Water and Sustainable Cities". The event will once again bring together authorities from hundreds of South American cities, international organizations, civil society, academic institutions, and the general public. This edition will focus on the topic "Water and Sustainable Cities", understanding that the sustainability of habitats is closely related to quality, access, management and urban coexistence with water, a vital element in the planning of our cities.
