2nd International Conference on SDGs: Higher Education and Science Take Action

05 Mar. 2020
06 Mar. 2020

The Global University Network for Innovation (GUNi) will be holding the second edition of the International Conference on SDGs. The PEMB association will lead the session "Local SDGs indicators. A collaborative proposal to monitor the SDG and contribute to the local appropriation of the Agenda 2030", with the participation of Metropolis, Lavola Anthesis Group, and IBEI-UPF. During this meeting, which will take place on the first day of the Conference at 2:00 pm, it will be presented the Metropolitan Indicators System developed by the Metropolis Observatory.
