08 Apr. 2020

Launched jointly by United Cities and Local Governments (UCLG), Metropolis, and UN-Habitat on March 25th, 2020, the #BeyondTheOutbreak Live Learning Experience (LLE) virtual sessions aim to bring together Local and Regional Governments (LRGs), their associations, and partner organizations to allow and promote meaningful exchange as they find themselves confronting the COVID-19 crisis while maintaining an orderly functioning of public services. Following the two first consultations, the second thematic LLE is devoted to promoting a collective reflection on the relationship between urban mobility and the COVID-19 crisis.
