Live Learning Experience: Eleventh Thematic session - Public Workers

13 May. 2020

Launched jointly by United Cities and Local Governments (UCLG), Metropolis, and UNHabitat on March 25th, 2020, the #BeyondTheOutbreak Live Learning Experience (LLE) virtual sessions aim to bring together Local and Regional Governments (LRGs), their associations, and partner organizations to allow and promote meaningful exchange as they find themselves confronting the COVID-19 crisis while maintaining an orderly functioning of public services.

Following an initial consultation held during the launching session, the first thematic LLE, co-organized by UCLG's Committee on Social Inclusion, Participatory Democracy and Human Rights, is devoted to promoting a collective reflection on the relationship between public work and the COVID-19 crisis.
