Megacities' Post-COVID Planning

03 Jul. 2020

<https://www.worldurbancampaign.org/urban-thinkers-campus>

Metropolis co-organizes an **Urban Thinker Campus** in collaboration with the **World Urban Campaign**, **the MTPA** (Metropolitan and Territorial Planning Agencies), the **FNAU** (French Network of Urban Planning Agencies), **ISOCARP** (International Society of City and Regional Planners) and the **Institut Paris Région**.

Representatives of megacities' Planning Agencies and Departments will participate and exchange their experiences about the impacts and new paradigms raised by the COVID-19 crisis on megacities' planning. The discussion will focus on the following questions:

- How COVID crisis shows vulnerabilities on megacities?
- How COVID crisis changes orientations for large city developments (behaviour changes, a new focus on policies)?
- How COVID crisis changes the way to plan megacities?
