Launched jointly by United Cities and Local Governments (UCLG), Metropolis, and UNHabitat on March 25th, 2020, the #BeyondTheOutbreak Live Learning Experience (LLE) virtual sessions aim to bring together Local and Regional Governments (LRGs), their associations, and partner organizations to allow and promote meaningful exchange as they find themselves confronting the COVID-19 crisis while maintaining an orderly functioning of public services.

The joint live learning experience, developed by **Metropolis**, **UCLG**, **World Enabled**, **BMZ**, **GIZ** and **UN-Habitat** seeks to highlight how the recovery needs to take on board the values of equity and accessibility, to open new opportunities for equal access, solidarity and resilience in cities.
