Regional secretaries meeting

23 Feb. 2017

The Secretariat General of Metropolis will host the 2017 regional secretaries meeting during February 23rd, 2017. It will be a major opportunity to work together on the 2018-2020 Metropolis Action Plan to be adopted by the General Assembly of members in Montréal at the 12th Metropolis World Congress as well as on the renewal of Metropolis statutory bodies.

At the same time, UCLG has planned a retreat for its political representatives, regional secretariats and other colleagues from February 20th -24th, 2017 in Barcelona. This coincidence gives us the opportunity to establish synergies between both organisations.
