Documents:

100 Resilient Cities – Pioneered by the Rockefeller Foundation will be holding a Network Exchange on Building Resilience at the Metropolitan Scale in Santiago de Chile. Hosted by Santiago’s Regional Metropolitan Government and the Resilient Santiago team, this event will convene Chief Resilience Officers and high-level officials from Barcelona, Buenos Aires, Greater Manchester, Greater Miami and the Beaches, Jakarta, Paris, Santiago de los Caballeros, and Sydney to exchange tactical knowledge on how to advance resilience projects and initiatives at the metropolitan scale.
