Metropolitan Governance and Health: The Experience of Covid-19

07 Oct. 2020

Within the framework of the World Metropolitan Day, Marmara Municipalities Union and Argüden Governance Academy will hold a webinar on “Metropolitan Governance and Health: The Experience of COVID-19” on 7th October. During the event, COVID-19 pandemic and public health will be approached from metropolitan governance perspective. Two metropolitan mayors and a public health professor will share their experiences and suggestions on metropolitan response to pandemics with the participants.

Symulaneous translation to English will be available during the event!

Program (Turkey time)
