The Global Commission on Adaptation (GCA) Climate Adaptation Summit

25 Jan. 2021
26 Jan. 2021

Following the UN Climate Action Summit on 23 September 2019, convened by UN Secretary-General António Guterres to meet the climate challenge, the GCA will begin its Year of Action. The GCA Year of Action will:

- advance recommendations from the Commission's Flagship Report titled, 'Adapt Now: A Global Call for Leadership on Climate Resilience,' released in September 2019, and the Climate Action Summit's action tracks, including food security, infrastructure, finance, urban resilience and nature-based solutions, with tangible and actionable targets;
- help accelerate adaptation around the world;
- improve human well-being and result in more sustainable economic development and security; and
- present its findings at the Climate Adaption Summit.
