The metropolitan governance in Africa: Case Studies

09 Dec. 2021
09 Dec. 2021

The **third webinar** of the learning program "**The Metropolitan Governance in Africa**" will provide an opportunity to first understand the issues of **sustainability, resilience and urban intelligence**, then to elucidate **how they are embodied at the metropolitan scale**, considering **how they can be applied in the future** and finally, to focus on the **challenges and obstacles** that African cities and metropolises face **in deploying resilience strategies and innovative digital solutions**.

This webinar will be held in the framework of the 5th edition of the **African Forum of Territorial Managers and Training Institutes** targeting the Local Government in Hybrid Mode (FAMI 5).
