SPPO NO. 1618-0060
Series of 2016

WHEREAS, Republic Act 7160, otherwise known as the Local Government Code of 1991, accords every local government unit the power and authority to promote the general welfare within its territorial jurisdiction, including the promotion of health and safety of its people;

WHEREAS, the transport and traffic management in the city of General Santos shall be addressed judiciously through a rationalized mechanism in terms of urban planning, enforcement of ordinances, as well as allocation of resources to carry-out pro-people and environment-friendly plans and strategies;

WHEREAS, the traffic problems and issues must be resolved in a rational manner, such as the passage of a comprehensive ordinance on land transportation and traffic management guided by facts and formulated through consultation, collaboration, and coordination with the national agencies;

WHEREAS, the city shall take to heart the country's commitment to the international community with respect to protecting the environment and bearing in mind the adverse effects of climate change, as by promoting e-tricycles and e-jeeps as well as the use of bicycles and the provision by the city of bicycle lanes in order to minimize, if not eradicate the release of carbon footprint into the atmosphere.
