WORLD SUMMIT

12-14 JULY 2017

MELBOURNE | AUSTRALIA

CALL FOR CONTRIBUTIONS AND REGISTRATION NOW OPEN | www.ecocity2017.com

The Ecocity World Summit series is one of the most globally significant forums for addressing the complex challenges facing humanity in a rapidly urbanising world. Ecocity 2017: *Changing Cities: Resilience and Transformations* is being hosted by the University of Melbourne, Western Sydney University and the City of Melbourne. The Summit will bring together a diverse mix of researchers, policy makers and citizens with a common focus on identifying and creating pathways to more sustainable, resilient and equitable cities.

Ecocity 2017 will address the unprecedented ecological, social and economic challenges – and opportunities – facing the world's cities through a focus on six major themes:

CLIMATE AND ENERGY TRANSFORMATIONS

FOOD AND WATER SECURITY

SMART CITIES FOR PEOPLE

HEALTHY AND CARING CITIES

CULTURALLY VIBRANT CITIES

GOVERNANCE, INFRASTRUCTURE AND FINANCE
