# Introduction of MITI

# → Introduction of MITI

## Metropolis International Training Institute(MITI)

- The training and learning institute of Metropolis
- To strengthen the capacities of Metropolis member cities

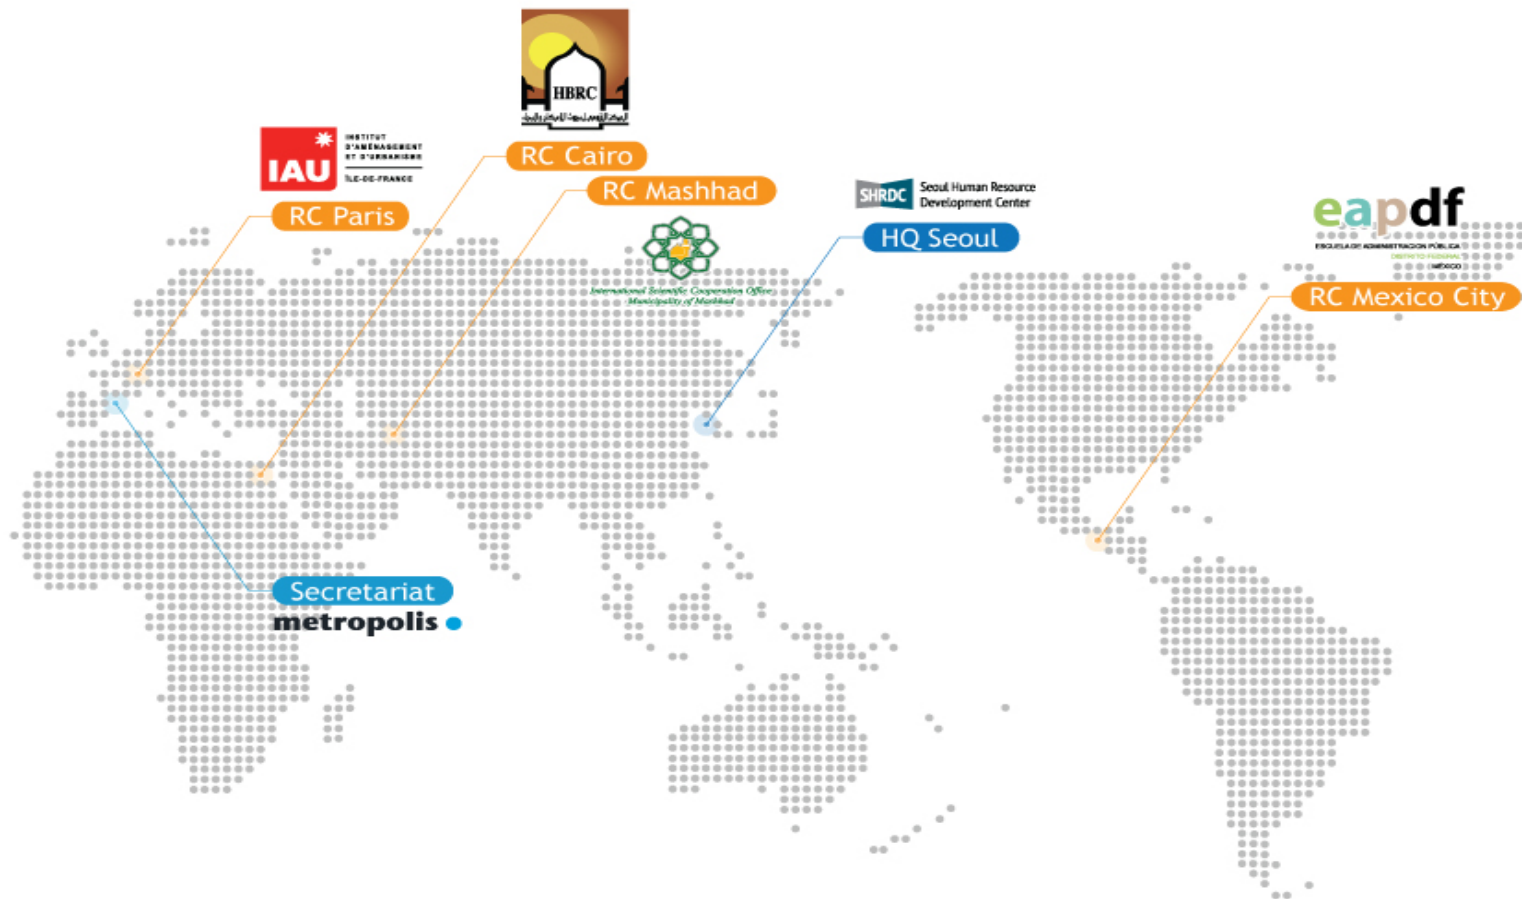

- Established in 1996
- Renamed as MITI in 2013

- Formerly located in Montreal, the headquarter has been transferred to Seoul.

# → Introduction of MITI

## Metropolis International Training Institute(MITI)

# → Vision and Goal of MITI

## **MITI to be the world best institute in the field of urban policies**

01

**To provide a platform to share  
best practices of metropolitan  
cities**

02

**To strengthen human networks  
through the international training**

# → Strategies of MITI

**1**

**Lead the global training agenda by developing best practices into the customized training programs**

**2**

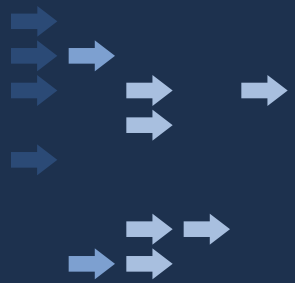

**Build the archive to build up the urban policy cases and share with Metropolis member cities and its stakeholders**

**3**

**Establish the sustainable training environment by providing its own training facilities and financing**

**4**

**Set the network among the RCs and the stakeholders by close cooperation and coordination**
