📍 **Universidad Externado**

15:00–17:00

TOUR TO STRATEGIC PROJECTS IN BOGOTA GUIDED BY MAYOR CLAUDIA LÓPEZ

A tour led by Mayor Claudia López will be offered through some of the main strategic projects of Bogotá, which have in their conception the perspective of the caring city and the challenges it poses for territorial planning. The main projects to be visited will be:

- **Centro Felicidad –CEFE Tunal–** (Happiness Centre CEFE Tunal): The Bogotá Care system and the type of services provided will be presented.
- **Parqueadero TransMiCable** (TransMiCable Parking): Presentation of Bogotá’s commitment to sustainable mobility.
- **Museo de la Ciudad Autoconstruida** (Self-built City Museum): Presentation of a city project that seeks the re-signification of the territory through culture, the social construction of the habitat, community education models, processes for the defence of human rights, among others.

The route will be multimodal: walking and by aerial cable.

📍 **Ciudad Bolívar**

THURSDAY

14
JUL
